

# METAPHOR

Jaman was a pig at the dinner last night.

Life is a rollercoaster.

The stars are sparkling diamonds.

Roohi mam has a heart of gold.

You are my sunshine.

Our house is a zoo when we come home.

The sun is a golden ball.

# ONOMATOPOEIA

Shhh! No talking in the library.

The snakes in the pit hissed.

I could hear the buzzing of bees.

Tick tock tick tock! The clock in hospital.

The steaks sizzled in the barbeque.

Quack quack! Went the ducks in the pond.

The dog barked at the boy.

We clapped our hands after magic show.

# SIMILE

Your eyes are as blue as sky.

Her hair are like silk.

It is as cold as Antarctica outside.

He is as tall as giraffe.

She is as pretty as a flower.

The dress is as yellow as the sun.

Her hair are as black as coal.

The apple is as sweet as pie.
